

THE WATCHMEN, 911 AND THE HARBINGERS
Update, 5.30.2009

© Raiders News Network, 2009

Our understanding of prophecy itself is a ‘work in progress.’ Much can only be appreciated in hindsight, but continues on to be a significant part of the increasing cacophony of discordant fracas we are perceiving.

It would be difficult not to be disturbed in the dark spiritual climate in which we live. Many here are concerned for the US in particular at this time. On 7 March 2009, Pastor David Wilkerson released a troubling warning:

Saturday, March 7, 2009

AN URGENT MESSAGE

I am compelled by the Holy Spirit to send out an urgent message to all on our mailing list, and to friends and to bishops we have met all over the world.

AN EARTH-SHATTERING CALAMITY IS ABOUT TO HAPPEN. IT IS GOING TO BE SO FRIGHTENING, WE ARE ALL GOING TO TREMBLE - EVEN THE GODLIEST AMONG US.

For ten years I have been warning about a thousand fires coming to New York City. It will engulf the whole megaplex, including areas of New Jersey and Connecticut. Major cities all across America will experience riots and blazing fires—such as we saw in Watts, Los Angeles, years ago.

There will be riots and fires in cities worldwide. There will be looting—including Times Square, New York City. What we are experiencing now is not a recession, not even a depression. We are under God’s wrath.

(emphasis, smb)

Many troubling but remarkable prophetic parallels have been noted by messianic rabbi Jonathan Cahn regarding the very unusual prophecy of *Isaiah 9:10* and *America’s, 9.11*. These strange parallels were described as ***The Eight Harbingers of Judgment***, linked below and, though lengthy, provide much of the background for what follows.

The causes for and the nature of a first Divine reprimand and the consequences that will befall a nation that continues in un-repentance, disobedience, or more seriously, outright defiance spiritual defiance and rebellion.

***“And ALL THE PEOPLE SHALL KNOW,
even Ephraim and the inhabitants of Samaria,
THAT SAY IN PRIDE AND STOUTNESS OF, HEART:***

Isaiah 9:9

**THE BRICKS ARE FALLEN DOWN,
BUT WE WILL BUILD WITH HEWN STONES;
THE SYCAMORES ARE CUT DOWN,
BUT WE WILL CHANGE THEM INTO CEDARS.**

Isaiah 9:10

The second judgment for rebellion, is prescribed to be more a expansive, horrific and devastating aftermath would follow. Repeated, Scripture emphasizes the concept of warning, initial incursion, time allowance to repent, and if repentance is not forthcoming, devastating events are swift, precise and specific.target .

The events of September 11, 2001 have been thoroughly documented. The bricks were fallen down, but the rebuilding began with hewn stone on July 4, 2004 when the granite cornerstone for the building of *The Freedom Tower* was set.

The sycamore tree outside St. Paul's Chapel had fallen, but the cedar was lowered into place on November 22, 2003. It was named, the *Tree of Hope*. From *The Watchmen, 911 and The Harbingers*:

The next day [when] the people returned to ground zero, they found a tree lying on the ground, pierced by the beam of a falling Tower. There, at Ground Zero was a sycamore tree – struck town...after the tree of Isaiah 9...a harbinger of judgment... 'the sycamore has fallen' ...

*...and strange, eerily, the people made a display of it, not realizing what it was in the Bible... and put it on display, **its roots exposed** ...not realizing, as if to draw more attention to the sign. And a sculptor was commissioned to make a cast of it. He poured metal into the cast: he cast it into bronze, the Biblical metal of judgment...an image of the fallen sycamore to be displayed on Wall Street.*

The significance of the bronze sycamore root sculpture is chilling. In May, 1792, twenty-four stock brokers met underneath a buttonwood tree, along Wall Street in New York City. *The Buttonwood Agreement* would be birthed as the golden calf of commerce, the bull of the New York Stock Exchange, but would be delivered, uprooted and cast in bronze.

“The Trinity Root”

The bronzed Trinity Root was dedicated on Wall Street on *September 11, 2005*. This date on the Hebrew Calendar was *7 Elul 5765*. Three years later, *7 Elul 5768* was *September 7, 2008*. It was on this day, a Sunday, that *Fannie Mae* and *Freddie Mac* were placed into conservatorship by the Federal Housing Finance Agency. Elul is the final month on the Hebrew civil calendar and a month of repentance in preparation for a new year. Specifically, it is *the month at Moses returned to Mount Sinai in repentance for the sin of the golden calf*.

Much of the premise of this examination centers on an understanding of the actual date and location of the first inauguration of a US president, George Washington, as well as the surrounding events. The first inauguration took place in *New York City* on *April 30, 1789* where Mr. Washington then walked to a small Chapel in Manhattan to consecrate the fledgling nation.

From *The Watchmen, 911 and The Harbingers*:

America was born, not on July 4th but was conceived on July 4th ... America was born as a fully formed nation on April 30th, 1789. On that day, for the first time, America had a Constitution, a House of Representatives and a President together. It was the birth of the United States as a fully formed, constituted nation.

On that day, the government, the House, the Senate and the President all gathered in the Capital together, it was the Inauguration of George Washington. It was the nation's Dedication Day.

A review of the dramatic contrast of the January 20, 2009 inauguration of Barack Obama followed:

...when words and deeds begin to face the sun, no longer practiced in darkness, but in contempt of the brazen altar of judgment, a judgment falls: individually or collectively. Although many in America had witnessed, "The Moment," many were astonished to hear the passion and the provocation.

*We will not apologize for our way of life, nor will we waver in its defense. And for those who seek to advance their aims by inducing terror and slaughtering innocents, we say to you now that **our spirit is stronger and cannot be broken -- you cannot outlast us, and we will defeat you.** (Applause.)*

BH Obama, January 20, 2009

(emphasis, smb)

While there is much discussion of President Washington's history within the Masonic brotherhood, the emphasis must be directed to the **power of the Word of God**, regardless of intent or speaker content.

Isaiah 9:14-16 seemingly anticipates the contrast:

***Therefore, the Lord will cut off from Israel HEAD AND TAIL,
branch and rush in ONE DAY***

***The ANCIENT AND HONOURABLE, HE IS THE HEAD
The PROPHET THAT TEACHETH LIES, HE IS THE TAIL.***

For THE LEADERS OF THIS PEOPLE CAUSE THEM TO ERR;

And they that are led OF THEM of them are destroyed.

Curiously, we see a people led by *two* leaders, an *honorable* one who is the head, and a *prophet* that teaches lies, the tail, but a people utterly destroyed nevertheless. From *The Watchmen*:

A study in contrasts, the ancient and honorable: the elder, George Washington in 1789, the head of the Republic, consecrating a young nation to an acknowledged "Invisible Hand" of Providence, while entreating His holy protection, joined by his government to walk to a Chapel, and then, in prayer for two hours, knees bent in reverent supplication for their sacred charge.

And another, bearing the name of a prophet's son, possessing a discourse which blends through shades of gray, speaks to "this moment" that will "define a generation" infused with a spirit of service that "must inhabit us all?" Two walks: a prayer and a parade.

SO WHAT ELSE IS NEW?

Less than anyone can imagine.

Media attention of unprecedented levels chronicled the *1st Hundred Days* of the new administration. White House websites, late night television, endless speeches, appointments, press conferences and "drop ins:" were all carried out with the enormous preparation, security, effort and expense – at a time when most American's were weathering the most severe economic climate change since the Great Depression.

In an *National Review*'s blog published in April, 2009 Harvard educated psychiatrist and Pulitzer Prize winning columnist Charles Krauthammer asked, "*Does the narcissism of this man know no bounds?*"

A hint of something far deeper and more significant could be implied from handwriting expert Michelle Dresbold, author of *Sex, Lies and Handwriting*:

"Phi" signature

Obama's overly large signature shows tha he likes attention and is a bit of an egotist. Interestingly, whether he did it consciously or subconsciously, by intersecting the "O" and the "b" in his last name, Obama formed the Greek symbol, known as "Phi." "Phi" represents the golden ratio or section – the "ideal" proportion recognized by mathematicians, artists and architects since ancient times.

(emphasis, smb)

The golden ratio, the golden mean, the golden calf, the golden city, the golden apple, '...the golden race will rise...from a new breed of men sent down from heaven...' Novus Ordo Seclorum.

The *Times Online* described the arrival of the Obama's at the April G20 meeting in London:

"In a blaze of dazzling light, disciples witness the First Coming of Obama." With carefully staged props, backgrounds of light and exquisitely executed photo ops, many otherwise complacent observers were getting the feeling of clearly messianic overtones.

"Obama flies over the London Eye by helicopter" 4.1.2009

On October 19, 2008, seventeen days before the US Presidential Election, Vice Presidential candidate, Senator Joe Biden again made one of his prescient and memorable "gaffes:"

Mark my words. It will not be six months before the world tests Barack Obama like they did John Kennedy. We are about to elect a brilliant 47-year-old senator president of the United States of America.

Remember I said it standing here if you don't remember anything else I said. ...Watch, we're gonna have an international crisis, a GENERATED CRISIS, to test the mettle of this guy.

(emphasis, smb)

President FD Roosevelt recognized 'unintentional slip of tongue, ***"In politics nothing happens by accident. If it happens, you can bet it was planned that way."***

The reviews of the celebrated, 1st *Hundred Days* were greatly anticipated: they did not disappoint. And if there was any doubt that the inklings were understood, Mr. Obama laid all such doubt to rest while speaking before the *White House Correspondents' Dinner* on May 9, 2009, :

"My first 100 days were so successful that I will complete the next 100 days in 72 days and on the 73rd day I will rest."

And when is the 72 day when Mr. Obama's work will be completed...before his rest on the following day? *The 2nd Hundred Days* began on May 1, 2009. And when is the 72nd day of this cluster? ***July 11, 2009.***

NORTH AND SOUTH

And everything in between

Artist Michael D'Antuono gave the nation a preview of a bizarre tribute to Mr. Obama's strangely celebrated 1st *Hundred Days*, in his portrait, *The Truth*, with plans to have it displayed in Union Square, *South Plaza* in New York City.

Union Square was designed by Frederic Auguste Bartholdi, the celebrated sculptor of *Liberty Enlightening the World* which stands in New York Harbor. One of three bronze sculptures of Abraham Lincoln in New York City stands in the northern crossroads of Union Square, but it is of note that the oldest piece of public art displayed in Union Square is a bronze sculpture of *George Washington* astride his horse in the *southern plaza*.

Michael D'Antuono's THE TRUTH
New York City, Union Square, South Plaza
April 30, 2009

PR Newswire describes Michael D'Antuono's work as a

highly controversial painting depicting President Obama in a crucifixion-like pose....

*...It became the **most emailed photo on Yahoo!** and wound up on Wikipedia until an offended party had it removed. The artist feels that his point was proven by the diverse reaction to the piece and by the divisive nature in which both the right and left wing media covered "The Truth" in an effort to provoke and mobilize their respective audiences.*

(emphasis, smb)

Mr. Obama's 1st Hundred Days were completed on April 30, 2009: **the 220th anniversary of President Washington's Inaugural** and of the Prayer of Consecration for the Nation as recorded in the National Archives.

Artist D'Antuono's message is well taken: it sparked heated but shortlived attention. Yet it is but one point: can we imagine this same city, after a judgment of the magnitude of 9.11, having broken forth with song, replacing the sycamore with a cedar, once more inviting and inciting such specific wrath? Apart from the lesser details, the uncomfortable capital letters on the background seal, **AL ESIDENT UN ED STAT** being the most obvious as and the date, are of tremendous significance.

For later reference, it might also be noted that April 30, 2009 also corresponds to 5th Iyar on the Hebrew calendar, on which, in 1948, five Arab countries, Egypt, Syria, Lebanon, Jordan and Iraq, declared war on the newly formed state of Israel (May 15, 1948).

Mr. Obama began his 2nd Hundred Days in Office on **May 1, 2009, May Day, Beltane, Walpurgis Night, 'm'aidez.** The 223rd anniversary of the founding of the **Order of the Illuminati** by Adam Weishaupt, on **May 1, 1776.** Was the April 30th 'crucifixion portrait' a grotesque hint that the 'old' truly has been put away...in full preparation for a full 'resurrection'/ rebirth onslaught of the new?"

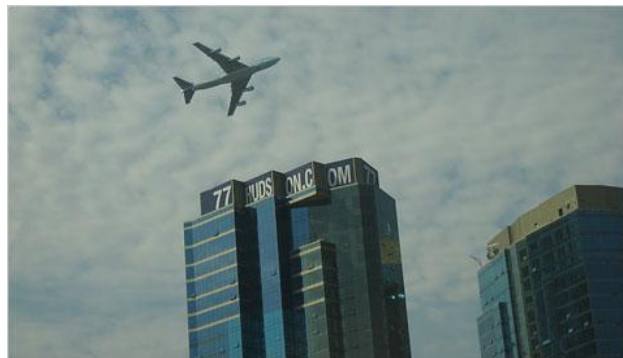

The Truth as presented to this nation as a 'tribute' to the 1st Hundred Days might be more prophetic than we dare ponder. Few can dispute the numerous and specific descriptions of New York City as the devastated city of judgment of Rev 17: **Mystery Babylon the Great.**

And thou shalt take up this proverb against the king of Babylon and say, How hath the oppressor ceased! The golden city ceased!
Isaiah 14:4

In Isaiah 14's seamless transition from the judgment of the king of Babylon, few would deny the obvious ability to see the Commander in Chief of the US Military as the reigning 'king' of ancient Babylon of present day Iraq, which was entered by force on March 20, 2002. And it was on 'May-Day' the following year, **May 1, 2003**, that the presiding 'king' of the time proclaimed, **'Mission Accomplished,'** 1 year, 1 month and 11 days later aboard the **USS Abraham Lincoln.** Tom Horn's **Angel in the Whirlwind** was flying high. A recently published excerpt from his upcoming book, **Apollyon Rising, 2012** provides a whisper of the uncanny organization and ancient planning that has taken place:

If the 11th labor of Hercules was intended as symbolic during 9/11, the ancient story was corrected in the New York version to reveal an interesting interpretation of the allegory. In the retelling, revengeful power (number 11) was released by the Dragon (Bin Laden, son of Ladon, the Devil of Rev. 12 and 13) where the Golden Apple Garden (NYC, the Big Apple, where the promise of Gold dominated) existed, and overpowered Jesus Christ (Hercules). The result created a fire in the minds of men (the release of Prometheus), which moved through and then beyond the Twin Towers/Pillars of New York (the pillars of Atlas-Freemasonry-Enoch-Solomon-Atlantis), quickly resulting in universal appeal for a New World Order (culmination of the New Atlantis).

The “new” king of Babylon recently sent an equally powerful aerial communication. The April 27th New York flyover by Air Force One was met with strong public outrage. Quietly downplayed as a “photo op” before leading to an admission of a “mistake,” many saw the maneuver as a cruel and arrogant disregard for the public. Many, including Tom Horn might have seen it differently:

[Air Force One, New York Harbor 4.27.2009](#)

If the number 77 on September 11, 201 pointed to “reive” upon the United States by the Royal Bloodline descendents of Lamech, they were following the footsteps of Tubal-Cain indeed, releasing “the seething energies of Lucifer” and the “strength” of Vulcan (Satan) to whom “human sacrifices” must be made. To what end? Manly P. Hall writes:

“The outcome of the ‘secret destiny’ is a World Order ruled by a King with supernatural powers. This King was descended of a divine race; that is, he belonged to the Order of the Illumined for those who come to a state of wisdom then belong to a family of heroes-perfected human beings.”—Manly P. Hall, The Secret Destiny of America.

T. Horn, excerpt from Apollon Rising, 2012

Some recognized the New York circling as a demonstration of another power. Others saw far deeper and darker ritual significance. Was it just a coincidence that the flyover took place on the date in the movie, *Cloverfield*, where New York would have had its last ‘normal’ day: April 27. One must recall that *Homeland Security Presidential Directive 51* of 2007 claims Executive power for the continuity of government in the event of a “catastrophic emergency” or “decapitating event,” and that FEMA will conduct **TOPOFF**, a National Level Exercise (NLE 09) for disasters, from July 27 to July 31, 2009. As New Yorkers know, ‘drills and exercises’ frequently exhibit abilities to “go live” as they did on September 11, 2001.

[Air Force One, 4.27.2009](#)

[Cloverfield Theatrical Poster](#)

Curiously, in early May, 2009, as a symbol of Mr. Obama's agenda for "a new beginning, restoring confidence in the American people, in their government, and in our place in the world," US Department of Interior Secretary Ken Salazar announced the reopening of the head of the Statue of Liberty. The Statue's head had been closed since September 11, 2001, but will open once again on July 4, 2009.

“THE STARS ARE ALIGNED”

And the angry red planet

Why is it that on June 4th 1967, I was a Jordanian and overnight I became a Palestinian? We did not particularly mind Jordanian rule. The teaching of the destruction of Israel was a definite part of the curriculum, but we considered ourselves Jordanian until the Jews returned to Jerusalem. Then all of the sudden we were Palestinians - they removed the star from the Jordanian flag and all at once we had a Palestinian flag.

Walid Shoebat, former PLO terrorist

As part of a campaign promise to rebuild US/Muslim relations by directly addressing the issue within the *1st Hundred Days*, the Obama Administration instead scheduled this enormously anticipated address *for June 4, 2009* in Cairo, Egypt. This comes on the eve of the anniversary of the onset of the Six Day War which saw Egypt as one of the three primary Arab states

Speculation on the content of the *Cairo Speech* ranges from the broad to the proposal of UN moderation of Jerusalem and the Temple Mount and the *57-State 'Organization of the Islamic Conference' Solution*. It can be certain that the words spoken, the timing and the venue will be exquisitely precise.

Cairo was historically founded *Al-Qahirah*, so named because of ***the appearance of the planet Mars during its foundation***. Traditionally the *Greek Ares, God of War*, the angry red planet is most frequently associated with destruction and ruin. Ares is also etymologically associated with *arez, erez, remarkably, again the cedar*. It will be later in the summer, during the month of August, that ***Mars will make its closest appearance to Earth in 5,000 years***, 2 months 23 days after the *Cairo Speech* of June, 2009.

INSTRUMENTS OF JUDGMENT

The pen is mightier than the sword.

In preparation for the upcoming *Cairo Speech* there have been a litany of Heads of State meeting with Mr. Obama in the White House over the past several months. Most recently (May 28, 2009), the *Jewish Telegraph Agency* reported of Mahmoud Abbas upcoming visit:

The Palestinian Authority president said at a meeting Wednesday -- the day before he meets with Obama in Washington -- that his proposal would be based on the components of the two existing peace initiatives and would attempt to "activate" the 2002 Arab League Initiative, according to a meeting participant.

The 22 member Arab League was strongly supported by Yassar Arafat who was born in Cairo but claimed *Palestinian* as his nationality. After Arafat's death in Paris on 11 November 2004, Mahmoud **Abbas** (*father?*), who was born in Safed, Palestine and raised in Syria, presented the PLA as a legitimate contender for the land. Appearances can be deceiving: Mahmoud Abbas was born *Abu Mazen* and has been strongly implicated in the funding for the Black September Munich Massacre of 11 Israeli Olympic team members on September 11, 1972. It has been said that this event was the fire that lit the fuse of modern terrorism.

Currently, and for apparent political favor, Mahmoud Abbas has distanced himself from the paramilitary Hamas (from **chamas: violence**).

BRING ME YOUR POOR, YOUR HUDDLED MASSES YEARNING TO BREATHE FREE

Inviting the enemy....with financial incentives

As a demonstration of presidential humanitarianism and authority, on January 27, 2009, 144 hours into a new administration, BH Obama signed *Presidential Determination No. 2009-15, the Unexpected Urgent Refugee and Migration Needs Related to Gaza*, a memorandum directing \$20M in funds to be released for those Palestinians affected by the conflict for relocation outside the area of Gaza.

From the issuance of Presidential Determination on *January 27, 2009*, until the Tisha b'Av of *July 31, 2009* there are 4440 hours. As described in *The Watchmen, 911 and The Harbingers*:

The initial incursion into the land was through the rod of Syria: the Philistines would be used to deliver the final judgment. It is of note that the Biblical Philistines are often represented by the modern day Palestinians.

**The SYRIANS before and the PHILISTINES behind;
And they shall devour Israel with open mouth.**

***For all of His anger is not turned away,
But His hand is stretched out still.***

Isaiah 9:12

THE TRAGEDIES OF TAMMUZ

The Three Weeks

The 17 Tammuz is a solemn day in the history of Israel. Listed in the Talmud are four events which befell the children of Israel as a result of rebellion: Moses breaking the tablets given on Sinai, Temple services and sacrifices were discontinued prior to the destruction of the Temple by Nebuchadnezzar, the walls of Jerusalem were breached prior to the destruction of the Second Temple in 69 AD, Roman general Apostomus burned the Torah and placed an idol in the Temple.

In clockwork precision, history has recorded the striking destruction and desolation occurring repeatedly on 17 Tammuz and millions have died as a result of direct attack or due to the disease, famine and destruction that accompanied them. Interestingly, **Genesis 7:11** describes the great flood of Noah as beginning with the breaking of the fountains of the deep on the seventeenth of Tammuz:

In the six hundredth year of Noah's life, in the second month, the seventeenth day were all the fountains of the great deep broken up and the windows of heaven were opened. Genesis 7:11

Thus, 17 Tammuz begins *The Three Weeks*, the traditional period of mourning. In 2009, the seventeenth of Tammuz begins at sunset, July 9 and the *Three Weeks* continue through July 31, the Tisha b'Av.

As a city, New York has one of the largest Jewish populations outside the borders of Israel. Recently four were arrested in a terror plot which involved the bombing plans of a New York City synagogue. Are the increased political tensions the only reason Israel is calling her sons and daughters home at this time with such urgency?

AS IT WAS IN THE DAYS OF NOAH

...the whole earth was filled with chamas [hamas]

*The whole earth is at rest, and is quiet: they break forth into singing.
Yea, the fir trees rejoice at thee, and the cedars of Lebanon, saying, Since thou art laid down, no feller is come up against us.* Isaiah 14:7, 8

(emphasis, smb)

Even a decade ago, it would not have been unreasonable to believe that some level of corporate repentance would have had a sustained effect. But in direct disobedience, *New York*, after experiencing a judgment of the magnitude of 9.11, once more broke *forth with defiant song* having replaced sycamore with a cedar, the *eretz*, taunting, "no feller is come up against us:"

In a terrifying sequence, Isaiah 14 immediately continues by describing the arousal of the fallen ancients from their abode below:

*Hell from beneath is moved for thee to meet thee at thy coming.
It stirreth up the DEAD for thee, even all the CHIEF ONES OF THE EARTH;
it hath RAISED UP FROM THEIR THRONES
ALL THE KINGS OF THE NATIONS.* Isaiah 14:9

Through the mentoring of remarkable and generous teachers,, we will recall a more precise rendering of **DEAD :: RAPHA** – "*the ancestor of the Canaanitish nation of the Rephaim.*" This then brings forth the giants and their mighty kings.

Consider: What other city on Earth can boast of sovereign land to anchor the seat of world government, the United Nations, with its many sins, betrayals and black-booted dominance? And what other city can identify itself with ALL of the descriptions of Rev. 17 and 19? And what city proudly identifies itself with **Giants** through "sports (though the other teams of the NFL nephil certainly try)?"

Woe, the shame of willful ignorance. Woe, the folly of arrogance.

THERE WERE BRIGANTES IN THE LAND

And also after

The placename YORK is derived from *Eborakan* or *Eboracum* directly from *eburtz*, meaning "place of the yew-trees," the *eretz*, the ancient cedars, the sacred groves of ancient pagan ritual and worship. Earliest descriptions of Eboracum are from ancient Roman records of the city in North Yorkshire, England.

The ancient dwellers of Eboracum were of the early Celtic tribes the Brigantes.

Identified with the goddess *Brigantia of the High Places* (and in Frankish history, this goddess is *Victory*), the Brigantes are believed to be responsible for the enigmatic vitrified ramparts and castles through out the northern British Isles including *Toriniz Tower*, the dwelling place of the giant Balor.

There have been unearthed near Yorkshire a complex consisting of seven henges, including, “Devil’s Arrow,” the second largest standing stone in Britain. So large and venerated was this complex that the Catterick Henge, the smallest of the seven, is 25% larger than the earthwork at Stonehenge. *The sites at Yorkshire are most frequented during the feast of Beltane, May Day, May 1, where the ancient spirits are summoned amongst the groves of yews: the erez, arez, the cedars.*

The ancient methods of vitrification and other high temperature tool and weapons recorded in their ancient accounts and traditions continue to puzzle science today. The Brigantes were considered to be the priestly tribe of Iron Age Britain. Evidence of altars and monuments to various gods, particularly Mars, is abundant. From the *Newcastle University of Thornborough Project*:

The "Sacred" Vale of Mowbray - Brigantia's Neolithic Capital?

More than 2,000 years before the discovery and widespread use of Iron an unprecedented bout of monument building in the centre of Brigantia created the Britain's largest religious monument complex, a place that has been suggested as being Britain's religious capital during the Neolithic Period. (emphasis, smb)

[The Thornborough Henges, Yorkshire UK](#)

**MANHATTANHENGE:
Signs in the heavenlies...**

Chronologically, contained within the website of the *American Museum of Natural History, The Hayden Planetarium*, is a page describing *Manhattanhenge*:

For Manhattan, a place where evening matters more than morning, that special day comes on *Saturday, May 30 this year*, one of only two occasions when the Sun sets in exact alignment with the Manhattan grid, fully illuminating every single cross-street for the last fifteen minutes of daylight. ***The other day is SUNDAY, JULY 12.***

These two days give you a photogenic view with half the Sun above and half the Sun below the horizon—on the grid. The day after May 30th (Sunday, May 31), and the day before July 12 (***SATURDAY, JULY 11***) will also give you *Manhattanhenge* moments, but instead you will see the entire ball of the Sun on the horizon—on the grid....

... So *Manhattanhenge* may just be a **unique urban phenomenon in the world, if not the universe.** (emphasis, smb)

Because of the many specific pattern of historical judgments, the suggestion of the Shakespeare/Bacon’s comedy TWELFTH NIGHT provides an unusual correlation. How would the day and days after such cataclysm be considered? Written as a comedy, the play is based on an early work by Barnabe Rich, *Apollonius and Silla, A Farewell to the Military Profession*,

published in 1581. These whispered and translucent signals are becoming much easier to apprehend as the veil thins with remarkable rapidity.

If an event of the magnitude described in Isaiah 9, Rev.18, Isaiah 14 and Jeremiah 50,51, it would bring the urgent to the immediate. What would be happening on the day or days after any attack?

The “Obama pronouncement” of May 9th regarding the “completion” of his work on the 72nd Day of the 2nd Hundred Days in office, designates this period as a “crowing moment. One would expect no less from any person who can claim a titular relationship to the reigning “King of Babylon.”

NEW YORK, NEW YORK

Double portion:

For your shame ye shall have double... Isaiah 61:7

Recently remarked during a White House press conference (in a reference to health care), “*the stars are aligned.*” And well it may be: the stars are signaling and the stones are crying out, but is anyone listening? Recall last 11 July 2008 in NYC when the *iPocalypse* was *at hand* with MSNBC’s “Apple iPhone 3G launch weighed and measured, found wanting?” The Apple with the byte. The Apple with the *i* [*me, me, me*] everything. Is there a single modern day city that brandishes prosperity, decadence and arrogance with such chutzpah?

The decadence and swift judgment prescribed for ancient Babylon is also an ominous declaration for its unrivaled contemporary and there may be concerns about the ‘timing’ in all of this:

David Wilkerson’s warning came on March 7, 2009, 55 days before April 30.

The solemn Three Weeks, the 17th Tammuz leading to the Tisha b’Av begin on July 9th.

There on 88 days between David Wilkerson’s warning and the upcoming and much anticipated Cairo Speech of Mr. Obama’s which will take place on June 4th.

And there are 888 hours between this June 4th speech in Cairo and July 11th.

And there is ONE more: the unfulfilled promise of Isaiah 9: utter and complete devastation.

Some suggest that July 11, 2009 could be seen as a ‘911’ event: $7+1+1=9$, $2+0+0+9=11$, but of greatest concern is that that ***timing has been reduced from years and months to days and hours.***

As noted earlier, this prophecy reveals events often appreciated only from retrospect. And if the judgment of the nation begins where it was consecrated: it might not be a good idea for a “summer in the city” style vacation.

***And thou shalt take up this proverb against the king of Babylon and say,
How hath the oppressor ceased! The golden city ceased!***

Isaiah 14:4

INSTRUMENTS OF JUDGMENT

***...the sword of the Spirit, which is the Word of God,
is mightier than the pen***

The darkest and most terrifying descriptive judgments of *Isaiah 13, 14, Jeremiah. 50, 51, and Revelation 17, 18* appear to be in plain sight. The *Angel in the Whirlwind* rides on while directing the impressive and rapidly organizing and gathering storm. A second judgment will fall on the the Big Apple and it will be vastly more expansive, more catastrophic. But the judgment will not end with New York. “Bye, Bye Miss American Pie:” On 9.11, the walls of the nation were breached. The patterns of subsequent incursion will follow: the heart and the nation itself. This will just be the beginning. Why?

***For THE LEADERS OF THIS PEOPLE CAUSE THEM TO ERR;
And they that are led OF THEM of them are destroyed.***

Isaiah 9:16

***For all of His anger is not turned away,
But HIS HAND IS STRETCHED OUT STILL***

Isaiah 9:12

The beloved and eminently valued ‘saints of intercession’ have been praying about this upcoming judgment. But the physical devastation with its related social and economic disruptions, are merely setting the stage for the largest offensive in the history of Classical Ancient Warfare: As the veil between the observable dimensions continues to thin at an unprecedented rate, the world over will experience anomalous events and sightings on a heretofore unknown level. Author and teacher Chuck Missler of *Konoinea House* speaks of this impending time:

The twentieth century has been marked by a rapid growth in knowledge, and the twenty-first will be stranger than we can possibly imagine.

The spiritual will begin to interact with the reality of our four perceptible dimensions. Can anyone stand against this? The Christian Bible describes the War in the Heavens as time nears and the players are cast down to planet Earth. Knowing the lateness of the hour and the Biblically short time these events are accelerating. There is little time left for warning: what one must have is the information of ‘self-sufficient,’ that being the wisdom of a Loving God to his Children.

May we pray for insights and the covering of those consigned to the final military battles, spiritual and physical. We are not deny our faith: if there was ever a time when he residents of Earth needed truth, it is now: before the GREAT and POWERFUL delusion. The singular remedy is standing side by side, both our Redeemer, Jesus Christ and our fellow brothers and sisters paying mighty words against the enemy will be our only hope. As Corrie Ten Boom recounts, she prayed as she was in line for German “processing.” On her lips were the blood of the Lamb, Jesus Christ and a petition to make her invisible to the enemy.

How greatly the beneficent Father has provided for His children. He tells us to prepare, to carry the Word of God in our heart and to be entirely dependent on Him for direction, opportunity and protection. May those like-minded brothers and sisters commit to this increased intense time of intercessory prayer?

Knowing that the “time is short,’ schedules must keep up. It is frightening to realize that there will be ‘mistakes’ made in this rise of the ancients, and events will converge with such speed it will be difficult to keep up. It is also

the greatest blessing: Amos 3:7: *Surely God will do nothing, but He revealth His secret unto His servants the prophets.*

And may the Most High God, the Name above all other names, direct our course. Having done all, **stand and resist.** If He is for us, who can come against us?

“I AM WITH YOU ALWAYS.”

These words are spoken:

If God be for us,

Who can be against us?

NOTES: July 11 events in history:

July 11, 911 Signing of the Treaty of Saint-Clair-sur-Epte between Charles the Simple and **Rollo** of Normandy.
(note: if you're watching the 'Rolands' of late, it would serve to understand that Rollo is the direct ancestor of William the Conqueror, whose line continues through the British Royal House today.)

July 11, 1787, The Madison Debates (note: this particular debate, held in Philadelphia, focused on the 'controversy' of racial integration.)

July 11, 1944, Franklin D. Roosevelt announces that he will run for a fourth term as President of the United States. (note: in response to this the US Constitution was amended with the 22 Amendment, limiting the term of a US president to two terms.
This was repealed on January 6, 2009 by the 111th Congress: awaiting 2/3rds majority states' vote. Links to cited sources below:

I wonder if the curtain is opening or closing.....from the position Mr. Obama is in, it seems that it might be *tetelestai*.....

It is also of interest that Mr. Biden spoke of Mr. Obama being "**tested**" within six months..."**Mark my words...**"

Six months **from the 1.20.2009 inauguration is July 20**. This is curious as July 20 (1944) is the date of the failed assassination attempt on Adolf Hitler. The movie *Valkyrie* released on Dec. 25, 2008 portrayed these events

July 20 is also the date 'chosen' for the launch of **Apollo11**. Many believe that Werner Von Braun delayed the launch for a memorial to Hitler's rise.

It is of note that **there are 44 days between May 30 and July 12**. Even more curious is the Manhattan dinner and theater *trip the Obama's made on May 30*.

ON **SATURDAY** MAY 30, Mr. and Mrs. Obama arrived in NYC for their "promised" "Date Night.

ABC News reported that Obama's arrived touched down at 4:43 PM:

"I am taking my wife to New York City because I promised her during the campaign that I would take her to a Broadway show after it was all finished," the president said in a statement an aide read to the press.

After dining a little more than two hours at Blue Hill, a West Village restaurant touted by New York magazine as a "seminal Greenmarket haven" that features food grown by chef and owner Dan Barber on his upstate farm, the president and first lady headed to the Belasco Theater to make it in time for "Joe Turner's Come and Gone."

(emphasis, smb)

The *Belasco Theater* is located at **111 44th Street, Manhattan, NYC**.
